the trench coat

A staple in every man's wardrobe, the trench coat gives you a smart, classic look. It's perfect for the fall, winter and even rainy days. When you pick one, make sure it has a slim fit. A mid-length trench coat is the most versatile, longer coats will make you look shorter.

car tones

What the color of your car says about you:

- Powerful and stylish
- Light and neutral
- Intense and daring
- Laidback and loyal
- Original and masculine

lip service

The harsh winter weather is brutal on your skin, one of the most evident signs are chapped lips. Kiehl's moisturizing lip balm is a great option for men, it provides plenty of moisture without any shine.

sweat style

If you care about your image, you want to look good all the time. But choosing your workout clothes shouldn't be a big deal. Buy everything in one main color with white accents and no matter what you pick you'll look like you handpicked every piece.
